Recognition and assessment of foreign vocational and academic certifications is carried out by a series of organizations in Germany.

For those who aim at having their foreign degrees recognised it is sometimes difficult to find the responsible recognition authority. Moreover, not all applications result in an immediate or full recognition.

To give you an overview of the possibilities concerning the recognition and assessment of your degrees and certificates the Hanover Chamber of Commerce and Industry provides recognition and qualification consultation. We will also support you in finding additional qualification courses, if necessary.

Further information on the recognition process is available on: www.anerkennung-in-deutschland.de.

You have obtained ...

... a foreign school, vocational or university degree?

You have already worked ...

... in your profession abroad?

Your degree ...

... has not been recognised in Germany so far?

You wish ...

... to have your diploma and certificates assessed or recognised in order to work in your area of expertise in Germany?

You aim ...

... at getting adjustment qualifications as your degree was not (fully) recognised?

In this case, visit the Recognition and Qualifications Consultation Department at the Hanover CCI!

We will support you throughout the recognition procedures and help you find a suitable adjustment qualification. This will increase your chances at getting a job in your area of expertise on the German labour market.

Consultants of the Recognition and Qualifications Consultation Department will provide assistance in the following situations:

We can assess the possibilities of having your degrees and qualifications recognised in Germany.

We will guide you to the authority which is responsible for the recognition of your degree.

We will support you with the application procedures and all the necessary formalities.

We will accompany you throughout the entire recognition process and/or your adjustment qualification and will help you to answer all the procedural questions.

We will inform you about the possibilities of further education, adjustment qualification and language acquisition.

Please arrange your first consultation appointment with us, by email or phone!

We are available from Monday to Thursday from 9.00 a.m. to 4.00 p.m. and on Friday until 2.30 p.m.
